# CHC33021 Certificate III in Individual Support (Traineeship – Disability)

## COURSE DESCRIPTION

This qualification reflects the role of workers in the community and/or residential setting who follow an individualised plan to provide person-centred support to people who may require support due to ageing, disability or some other reason. Work involves using discretion and judgement in relation to individual support as well as taking responsibility for own outputs. Workers have a range of factual, technical and procedural knowledge, as well as some theoretical knowledge of the concepts and practices required to provide person-centred support.

## SKILLS GAINED

- Following safe work practices
- Supporting independence and well being
- Working with diverse people
- Working in health and community services
- Working ethically and legally
- Facilitating empowerment
- Providing individualised support

## YOUR COURSE

- Approximately 12 to 24 months duration
- 1 to 1 coaching and training support
- Workplace assessments & observations

## YOUR ASSESSMENT

- Knowledge questions
- Scenario case studies
- Projects
- Direct observations in work environments
- Logbook tasks
- Employer reports

## ENTRY REQUIREMENTS

Whilst there are no specific entry requirements for this qualification, students enrolling into the course must demonstrate that they:

- can dedicate the time and effort required to successfully complete the diploma qualification whilst undertaking full time employment
- hold suitable language, literacy and numeracy skills for completing Certificate III level studies
